

**EMERGENCY
APPEAL**

Run by the community, for the community

We need your help!

Our charity is facing the biggest challenge of its existence.

Although we have had to close our doors, our staff and volunteers are still here supporting the community in new and innovative ways in response to the Covid-19 virus.

The interruption to our funding is a serious threat. Our reserves will only last so long.

Please can you make a donation?

You can go to the *Just Giving* link on the Mayfair website

(www.mayfaircentre.org.uk), or fill in the form below and return it to us.

Please help us now.

The difficulties we face will not go away when the “lockdown” finally ends. Mayfair, like many charities and organisations, will have to re-build and re-shape its activities. You could be a part of this by making a regular monthly donation, and becoming a “Friend of Mayfair”.

Just visit the website for further details, or fill in the form below.

Thank you for investing in the future of the community.
