Thank you for enquiring about our Ring & Ride service

Our community transport service is part of the Strettons Mayfair Trust. We rely on volunteers to enable us to offer our door-to-door service to local people who:

- Do not have use of a car or
- Live in a rural area or a town centre with very limited public transport or
- Experience difficulties with walking moderate distances.

Ring & Ride's purpose is to enable you to access a variety of local services such as:

- Shops, library, bank, hairdresser
- Clubs, social groups
- Friends, family
- The Medical Centre, dentist, chiropodist, other health services
- The Mayfair Community Centre and Health & Wellbeing Centre

Annual membership of Ring & Ride is just **£30.00** per year.

Fares are charged depending on distance. However, if you have a concessionary bus pass these local journeys are free. Ring & Ride additionally runs monthly trips further afield to Tesco's in Ludlow, Sainsbury's at Meole Brace, and other destinations – please ask. Fares for these are £8 return or just £6 with a concessionary bus pass.

Vehicles operate Monday to Friday (excluding bank holidays) 9am to 4.30pm, with our office open 9am to 1pm (messages can be left anytime).

We ask that you book at least 2 days in advance. We will do our very best to meet your requests, however there may be some instances when this is not possible.

Please find enclosed a leaflet about our service and an application form. Further information will be sent on receipt of your application. We look forward to hearing from you.

Yours sincerely,
