

MAYFAIR MOUSE COMPETITION INFO

MAYFAIR
COMMUNITY CENTRE

Time to make your Mayfair Mouse!

Thank you for entering our Mayfair Mouse Competition. All proceeds from the competition will go to Mayfair and help us to continue running all the services we offer in the Stretton's community and beyond.

Please decorate your mouse and return it to **Mayfair Community Centre Reception** by **Monday 16th November**.

You can decorate the mouse **however you would like** – it could represent your business, or something special about the Strettons/Mayfair, or just be a festive mouse.

Mice can have accessories and you can create a base for your mouse should you wish. The maximum size for your creation is 30cm (height, width and length). This helps to ensure that we have enough space to display them all.

Some super creative people may wish to create their own mouse and not use the papier mache model. This is fine, but again it must not exceed the 30cm cubed dimensions.

Completed mice must be submitted with the entry form which is included in this pack. (This ensures that we can number all mice clearly for the exhibition and tell people about your mouse.) If your mouse represents a business or activity in the Strettons, this is a great opportunity to explain this and publicise your organisation.

We would like to sell the mice for £10 each as part of the exhibition. If you do not wish to sell your mouse please indicate this on your entry form and you will be able to collect the mouse (for no additional charge) **from Wednesday 9th December to 11th December**.

At the Frost Fair (28th November 10am to 3pm), members of the public will be voting for their favourite mice and we will announce a winner on Wednesday 2nd December. **The winning entry will receive £25 and a Christmas cheese board!**

After the frost fair, our Mouse Exhibition will run until Tuesday 8th December in both Mayfair and HWBC receptions.

If you have any queries about the competition, please contact Naomi at Mayfair on 01694 722077.
